

## NSPCC Number Day Invitation

Dear Parents,

We are delighted to inform you that on the 2nd February we will be hosting the NSPCC Number Day at our school. We would like to invite you to join us for this exciting event aimed at celebrating and promoting numeracy skills among our pupils.

To ensure a smooth and successful day, we have organised various activities and games for all children to engage in. The main school hall will be dedicated entirely to the event and will be set up with a range of maths activities and games beneficial for pupils of all ages.

In order to give parents the opportunity to come into school to support Number Day, we have scheduled specific time slots for each year group. The timetable is as follows:

- Year 1: 9:00-9:40
- Year 2: 9:45-10:25
- Year 3: 10:30-11:10
- Year 6: 11:15-11:55
- Year 5: 1:15-1:55
- Year 4: 2-3 PM (including a brief chat about the multiplication check in Year 4)

During these times, parents are encouraged to come along and share in their child's excitement and progress. We have also made arrangements for tea, coffee, and biscuits to be provided, ensuring a pleasant and comfortable experience for all attendees.

The NSPCC Number Day is not only designed to celebrate the importance of numeracy skills but also serves as an opportunity to raise money for this esteemed charity. We kindly will have a donation point should you wish to donate towards a great cause.

If you have any further questions or require additional information about the event, please do not hesitate to contact us. We look forward to welcoming you to the NSPCC Number Day and working together to foster a love for mathematics among our pupils.

Yours sincerely,  
Mr Foster

Deputy Head Teacher
